

# Alternative Fuels & Chemicals Coalition

Advocating for Public Policies to Promote the Development & Production of Alternative Fuels, Renewable Chemicals, Biobased Products, and Sustainable Aviation Fuels

## HOUSE & SENATE APPROPRIATIONS SUBCOMMITTEE MEMBERS WHO HAVE RECEIVED AFCC REQUESTS

**T**HE EIGHT TABLES THAT FOLLOW provide the names, districts and states represented, seniority, DC office locations, and phone numbers of 77 House and Senate appropriation subcommittee members, along with the appropriations subcommittees on which they serve. These are the appropriations subcommittee members who oversee the annual appropriations for the Departments of Agriculture, Energy, Interior, and Transportation, and Environmental Protection Agency.

These tables are being provided to assist you in your outreach to support of AFCC's requests to (1) create a development capital grant program in the Department of Energy's Loan Programs Office and (2) increase opportunities for funding innovations and game-changing innovations through unsolicited proposals directed to the Departments of Agriculture, Energy, Interior, and Transportation, and Environmental Protection Agency.

The tables list 45 House Members and 32 Senators representing 26 states to which AFCC has sent its appropriations requests.

**If you are a constituent, living, working, or operating a business or other facility in one of the districts represented by one of these House Members or one of the 26 states represented by these Senators – but only if you are a constituent – please use the lobbying tips and talking points published in Biofuels Digest on February 27 to reach out to these members in support of AFCC's initiatives.**

The abbreviations used in the tables are as follows:

*Subcommittees:* AG = Agriculture and Rural Development; CJS = Commerce, Justice, and Science; E&W = Energy and Water Development; I&E = Interior & Environment; and THUD = Transportation, Housing and Urban Development

*House office buildings:* CHOB = Cannon House Office Building; LHOB = Longworth House Office Building; and RHOB = Rayburn House Office Building

*Senate office buildings:* RSOB = Russell Senate Office Building; DSOB = Dirksen Senate Office Building; and HSOB = Hart Senate Office Building.

## U.S. DEPARTMENT OF ENERGY: CREATION OF A DEVELOPMENT CAPITAL GRANT PROGRAM & EXPANDED ACCESS TO FUNDING THROUGH UNSOLICITED PROPOSALS
